

NOTES ON THE APPLICATION FORM FOR DONATION

Fundashon Wega Di Number Bonaire was founded in 1992 with the main objective of the acquisition of funds by organizing gambling on Bonaire.

By means of active fundraising and income from lotteries we are able to support many projects of general social interest annually.

In particular projects:

- In the area of sports
- In the area of culture
- which pursue an educational objective
- which pursue a charitable objective

You may submit your application throughout the year. The request must be submitted to the Foundation in writing well before the start of the project.

Only complete applications, provided with the required annexes and signed by authorized persons, are taken into consideration.

A complete application consists of the following papers:

- A fully completed application form
- A short covering letter (request)
- An elaborate plan or project, the objectives of the plan or project must be indicated specifically.
- A copy of the Articles of Association or regulations
- A budget of revenue and expenditure of the project with accompanying notes
- An official invitation if relevant for the request

If your request is not honored by us you will receive a letter of rejection. If your request is honored, you will receive information about the course and the conditions under which a contribution can be provided.
